

VIGNERONS
CATALANS

RAFALE

I.G.P. Pays d'Oc
Red Wine

Soil:

Cultivated on the plains and slopes of Languedoc and Roussillon in the South of France, where cold nights alternate with hot days.

Grape varieties:

Cabernet Sauvignon.

Production method:

The grapes are picked in September at full maturity. They are destalked and then ferment for 8 days at 28°C. before being pressed.

Ageing:

A few months in vat before bottling.

Description:

A rich dark red colour.

Rich and flavoursome on the nose (red fruits ,spices, pepper). Full and rich on the palate with elegant tannins. A full-bodied wine.

Storing:

Should be drunk young, within 2 years of harvest in order to retain the best of its flavour.

Serving suggestion:

Serve with roasts, casseroles, pasta and other traditional home-cooked dishes.

Serving temperature: Drink it at cool room temperature, around 17°C..
